

# HEALTH WAIVER

I understand Los Angeles and the whole country are in the midst of the CoronaVirus Pandemic.

I understand Los Angeles County has given the go ahead for Martial Arts schools to reopen as of June 12th, 2020, while requiring compliance with the guidelines L.A. County has published.

I understand Max Impact Martial Arts has decided to open modifying their operation procedures to be compliant with the proposed guidelines.

I understand there is risk associated with group activities such as practicing martial arts with other students in the same training facility.

I agree that if I, or my child, exhibit any symptoms of Covid 19, such as sore throat, dry coughing, a rise in my normal temperature, we will not attend class within 14 days of having any of those indicators.

I agree that if I, or my child, do exhibit any of those symptoms within 14 days of attending class that I will immediately let Max Impact know via email directed to [info@maximpactma.com](mailto:info@maximpactma.com) .

I understand and agree to all of the above, and understand that I assume all risk of myself or my child of attending class at Max Impact Martial Arts during the Pandemic crisis, and hereby release Max Impact Martial Arts from any and all liability past, present, and future, as it relates to Covid 19 and any assertion/claim arising from attending class at Max Impact Martial Arts.
